

# ACRYLAMIDE NETWORK

To reduce the content of acrylamide in food by means of technological process innovations along the entire value chain

## 4<sup>th</sup> Network Meeting 20<sup>th</sup> November 2019

ONIRIS - Rue de la Géraudière - 44300 NANTES – France

Contact Person : [alain.lebail@oniris-nantes.fr](mailto:alain.lebail@oniris-nantes.fr) - Phone oniris +33 (0) 251 78 54 54

12:00	- 12:30	Visit ONIRIS facilities: <i>Meeting point - Lobby</i>	
12:30	- 13:30	Lunch & Networking	
13:30	- 13:50	Presentation of the Acrylamide Network - Marie Shrestha (ttz Bremerhaven) -	
		<b>Parallell Session 1:</b> <b>Acrylamide Challenge in Potato products</b>	<b>Parallell Session 2:</b> <b>Acrylamide Challenge in Cereal products</b>
13:50	- 14:10	State of the art of process and reformulation - Fadi El Hage (Arvalis) -	State of the art of process and reformulation - Alain Le Bail (ONIRIS) -
14:10	- 14:20	One example of Potato processing - to be confirmed -	One example of Cereal processing - to be confirmed -
14:20	- 16:00	Discussion of Experience with acrylamide reduction, Expectations of innovative developments and possible contribution to R&D projects - each participants (5-10 min.) -	Discussion of Experience with acrylamide reduction, Expectations of innovative developments and possible contribution to R&D projects - each participants (5-10 min.) -
16:00		Farewell Coffee & Networking	

Free Participation.- Due to limited number of participants, Registration is compulsory.

**Registration:** [apeters@ttz-bremerhaven.de](mailto:apeters@ttz-bremerhaven.de)

*Le réseau Acrylamide vise une amélioration de la qualité des produits à base de pomme de terres et produits boulangers, le développement de nouveaux équipements innovants qui participent à la réduction de la teneur en acrylamide et le développement d'équipements pour la mesure rapide de l'acrylamide le long de la chaine de valeur.*

**Organisators:**

Prof Alain LE BAIL  
ONIRIS Food Science UMR GEPEA-CNRS 6144 SFR IBSM 4402  
– BIA INRA/GEPEA CNRS  
Rue de la Géraudière - CS 82225 –
